not spend a dollar to be elected; that he must be elected honorably or not at all. Mr. Patterson has been tried in the mayor's office for two consecutive terms and will stand or fall on his record.

The best physic. "Once tried and you will always use Chamberlain's Stomach and Liver Tablets," says Wm. A. Girard, Pease, Vt. These tablets are the most prompt, most pleasant and most reliable cathartic in use. For sale by O. B. Anderson & Son.

Wm. Baker of Marshall was found dead in a chair in Weber's saloon Sunday morning. The bartender did not see him when he closed the saloon Saturday night. He was married and 45 years of age. It is supposed he died of heart failure.

## Nearly Forfeits His Life.

A runaway almost ending fatally, started an ulcer on the leg of J. B. Orner of Franklin Grove, Ills. For four years it defied all doctors and all remedies. But Bucklin's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c at W. Gaston's drug store.

## Mysterious Circumstance.

One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c, at W. C. Gaston's, druggist.

## BLIND-FOLD.

Blindfold a woman and she loses all confidence in herself. Her step is slow, hesitating and uncertain. Her hands are raised to ward the imaginary blows which threaten her. When a sick woman seeks the means of health she is often like a woman blindfold. She has no confidence. She cannot tell what her effort will lead to. She turns now to this side and then to the other in uncertainty and doubt.

The sick woman who uses Dr. Pierce's Favorite Prescription may do so with absolute confidence. It invites open-eyed investigation. There need be no hesitation in following the hundreds of thousands of women who have found a perfect cure for womanly ills in the use of this medicine.

"Favorite Prescription" cures irregularity and dries weakening drains. It heals inflammation and ulceration and cures female weakness.

"With a heart full of gratitude to you for sending over the land your wonderful medicine I send these few lines, hoping that some poor suffering woman will try Dr. Pierce's medicines." writes Mrs. Corn L. Root, of Greenspring Furnace, Washington Co., Maryland. "I had suffered severely from female weakness and had been in bed a great deal of the time. Had headache, backache, and pain in left side when lying down. I commenced taking Dr. Pierce's Favorite Prescription, and had not taken two bottles when I was able to be around again and do my work with but little pain. Can now eat anything and it never hurts me any more. Have taken seven bottles of Dr. Pierce's Favorite Prescription, and never had a complaint since. I feel better every day. My husband says I look better every day."

Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.

I have used Chamberlain's Cough Remedy for a number of years and have no hesitancy in saying that it is the best remedy for coughs, colds and croup I have ever used in my family. Alex Johnson, alias Davis, was shot with a 44-caliber revolver in the back and seriously wounded by Ben Taylor, col., in Marshall Saturday afternoon. A negress of whom both Johnson and Taylor were enamored was the cause of the shooting. Taylor had used Johnson as a target on several previous occasions, but none of the shots took effect. Taylor was arrested after shooting Johnson and lodged in jail.

## Escaped an Awful Fate.

Mr. H. Haggins of Melbourne, Fla., writes: "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery. It surely saved my life." ## Some Men Pay

\$10,000 for an expert to manage their advertising. Theirs are others who pay \$5.00 for an annual subscription to pay \$5.00 PRINTERS' INK and learn what all the advertisers are thinking about. But even these are not the extremes reached. There are men who lose over \$100,000 a year by doing neither one. For sample copy send 10 cents to PRINTERS' INK, No. 10 Spruce St., New York City.

D. R. Patterson, who announced just two weeks ago that he would not be a candidate for reelection as mayor of Salisbury, changed his mind and made known his candidacy last week. Harry Sinclair, who said two weeks ago that he would be an aspirant for the same office, came out last week and declined to make the race. J. B. Dameron and T. A. LaGrass are new Richmonds in the field and will endeavor to capture Mayor Patterson's official scalp and don his official shoes. Either Mr. Dameron or Mr. LaGrass would make Salisbury a good chief executive. Mr. LaGrass vows that he will

The Salisbury Democrat tells of the attempted suicide of Bertha Johnson, a 14-year-old colored domestic in the family of Leo Burckhart of Salisbury, who took "rough on rats" in an endeavor to end her life for the reason that she had been led astray. After swallowing the deadly portion she went to the home of Henry Gooch, col., and told Mrs. Gooch of her rash deed, and said she was going over to A. C. Gilchrist's to see Mrs. Spencer, who is Mrs. Burckhart's mother. Mrs. Gooch 'phoned Mrs. Spencer that Bertha had taken poison and was coming over to see her. Mr. Gilchrist went to meet her and at once took her to Dr. J. D. Brumhall's office where an emetic was administered in time to save her life.

Will Young, a 16-year-old colored boy, while at Baggary & Reiderer's elevator in Slater Saturday, reached up and caught hold of a rope that was hanging down from a revolving shaft between the elevator and powerhouse. In the twinkling of an eye the rope tightened around the shaft, catching the rash youth's hand and arm and he soon found himself whirling around the shaft at the rate of 60 revolutions a minute. The gasoline engine was stopped as soon as possible after Young was heard to scream, he was taken from his perilous position with his right arm and leg broken and crushed. It is probable that his injuries are of such a character that both the arm and leg will have to be amputated. He, however, was reported as getting along reasonably well at last accounts.
